There was no public comment.

#### BOARD COMMENT

Clerk Smith stated there were some good workshops and a lot of good information at the MTA Conference. She also stated that Sharon Haga was in the hospital and wished Sharon and George well.

Trustee Proos stated the trails that were not completed in the Fall need attention and we need to contact the contractor. He also stated he felt the board made a mistake regarding the Ryan's issue.

Trustee McAleenan stated that Forest Hills Eastern teams are driving on the trails near the school.

Supervisor Haga thanked everyone for keeping he and Sharon in their thoughts.

### **UNFINISHED BUSINESS**

#### CONTRACT AMENDMENT - LIBRARY/COMMUNITY CENTER

DRAFT

Jim Horman, Progressive AE, explained the additional work that was required after the change in location. He explained the bulk of this work was done in the last six months. Supervisor Haga stated the change order should have been done shortly after December. There was discussion of a possible discount or "in-kind" donation in the future. Moved by Jacobs, supported by Hurwitz, to approve the change order for architectural services in the amount of \$187,550. There was additional discussion regarding a risk document, which Rantala stated was updated monthly. Trustee Proos stated he would like to see those documents for Site 1.0. Roll Call: Yes - McAleenan, Jacobs, Hurwitz Proos, Moran, Haga, Smith. Motion carried. Mr. Horman stated there was a tremendous amount of work coming.

#### **NEW BUSINESS**

#### **RESOLUTION R-040819-1 - ROAD CLOSURE FOR ADA CLASSIC CRITERIUM**

### ADJOURNMENT

The meeting was adjourned at 8:35 p.m.

# MEMORANDUM

Date: 4/12/19

TO:Ada Township BoardFROM:Jim Ferro, Planning DirectorRE:Short-Term Rental Regulations Committee Update

The joint Township Board/Planning Commission committee of Supervisor Haga, Treasurer Moran, Trustee Jacobs and Planning Commission Chair Leisman met on Wednesday, April 10 to initiate a review of proposed zoning regulations and a licensing ordinance that would establish a system for regulating short-term rental of residential properties within the Township.

The consensus of the Committee members is that there is not likely to be a large demand for short-term lodging in residential areas in the Township. There will also be a limited number of property owners interested in making their homes available for short-term rental use. The development of a small hotel in the Village will satisfy much of the demand for lodging within the Township.

With the above in mind, the focus of the Committee has been on seeking ways to lessen the administrative burden on the Township in carrying out the regulations, while allowing short-term rental use subject to compliance with standards that ensure that the use does not have objectionable impacts on neighboring properties.

Planning and Zoning staff will be preparing revisions to the proposed regulations to respond to the input from the Committee as summarized above. There was also a consensus among Committee members that when any revised ordinance provisions are recommended for consideration by the Township Board, that the Board should hold a public hearing on the revised ordinance(s).

# MEMORANDUM

Date: 4/15/19

 FROM:
 Jim Ferro, Planning Director

 RE:
 Status of Community Center/Library Design, Cost Estimates and Funding Sources

Work is progressing on the design of the Community Center/Library Building and matching project costs to funding sources. There is still a gap between estimated project cost, based on the schematic design, and committed funding sources. To address this, the design team, with major donor input, is engaged in the following tasks:

• "value engineering" to identify areas where project cost can be reduced without sacrificing project objectives and space program components.

• identifying project components that can be identified as "bid alternates" in the bid documents, so that they can be included in the project construction if bid pricing allows them within the budget.

• seeking addition major donor sponsorship of specific building components or features that would otherwise need to be eliminated in the absence of donor support.

We anticipate these efforts will be completed and a recommended direction presented to the Board at the May 13 meeting.

## ADA TOWNSHIP DOWNTOWN DEVELOPMENT AUTHORITY (DDA) BOARD OF DIRECTORS MINUTES OF THE MARCH 11, 2019 MEETING ADA, MICHIGAN

## I. CALL TO ORDER AND ROLL CALL

The meeting was called to order at 8:00 a.m. by Chairperson, Bowersox.

BOARD MEMBERS PRESENT: Terry Bowersox, George Haga, Walt VanderWulp, Dawn Marie Coe, Ted Wright
BOARD MEMBERS ABSENT: Bryan Harrison, Margaret Idema, Justin Knapp, Devin Norman
STAFF PRESENT: Jim Ferro, Planning Director, Brian Hilbrands, DDA Coordinator, Kevin Moran, Ada Township Treasurer, Adina Winczewski, Administrative Assistant
PUBLIC PRESENT: 4 members

### II. APPROVAL OF AGENDA

It was moved by VanderWulp, seconded by Coe, to approve the agenda as presented. Motion passed unanimously.

# III. APPROVAL OF MINUTES OF FEBRUARY 11, 2019 MEETING

It was moved by VanderWulp, seconded by Coe, to approve the minutes of the February 11, 2019 meeting as presented. Motion passed unanimously.

# IV. APPROVAL OF PAYABLES

Hilbrands presented invoices from Display Sales in the amount of \$162.00 for replacement of garland lights and from Woods Landscaping in the amount of \$1,046.00 for sidewalk salting and \$3,710.00 for snow removal services.

It was moved by Haga, seconded by Coe, to approve the above invoices as presented. Motion passed unanimously.

Hilbrands also presented an invoice from Woods Landscaping for snow windrow removal. Hilbrands noted that there was a misunderstanding between the Township and Woods regarding the bid specifications and pricing for removal of snow windrows along the curb, when requested by the Township. The bid specifications requested a cost per hour for removal and hauling of snow windrows, and Woods interpreted this as a cost per hour per equipment item used for the removal operation. Hilbrands stated he met with Ken Remijn, owner of Woods Landscaping, and was able to get clarification of the charges. Mr. Remijn also provided a detailed explanation of charges which was provided in the board packets. Hilbrands stated he believes Woods fee for the work is reasonable based on his explanation and the cost of the same work completed for the Township in the past by a different vendor, and recommended approval of the invoice.

Board members expressed appreciation for the good work Woods Landscaping provides and they appreciate the detailed explanation of charges from Mr. Remijn.

It was moved by Coe, seconded by Wright, to approve the Woods Landscaping invoice in the amount of \$2,070.00 for snow windrow removal services as presented. Motion passed unanimously.

## V. APPROVAL OF SEYFERTH PR CONTRACT FOR EVENT PLANNING AND COORDINATION SERVICES FOR BEERS AT THE BRIDGE 2019

Hilbrands presented the 2019 contract with Seyferth PR and estimated costs. Hilbrands stated that Seyferth PR will take on various vendor costs up-front and will incorporate those costs in their monthly invoices to the DDA. This year, the estimated costs will be shared 50/50 between Amway and the DDA. Vanderwulp asked if the costs will be the same as last year. Hilbrands stated that staff and Seyferth are working together to reduce costs. Coe asked if this was the final year of Amway's involvement. Hilbrands stated yes, it is the final year of their involvement.

It was moved by Haga, seconded by VanderWulp, to approve the Seyferth PR contract for Event Planning and Coordination Services for Beers at the Bridge for 2019. Motion passed unanimously.

# VI. DISCUSSION OF 2019 FARMERS' MARKET HOURS

Jennie Mac Anaspie, Market Manager, discussed reasons for the new Farmers' Market hours which are 9:30 a.m. to 2:00 p.m. The times were preferred by the vendors in order to not compete with rush hour traffic. Historically, the amount of customer traffic significantly decreases after 2:00 p.m. Mac Anaspie also provided a survey of farmers' market hours from surrounding areas and noted that they all have similar hours. Mac Anaspie also stated that vendors will be required to stay until closing.

VanderWulp asked if River Street will be the permanent location of the Farmers' Market. Mac Anaspie stated that unless there is a permanent structure, yes, it will stay at River Street for the foreseeable future.

Wright asked Mac Anaspie if there is a marketing strategy and if she attends the Ada Business Association meetings. Mac Anaspie stated she would like to have the vendors get active in promoting the Farmers' Market as well as involving the local retailers. Mac Anaspie also stated that she has not been to an ABA meeting but plans to attend in the future.

Bowersox asked for clarification on where the Farmers' Market will be located. Ferro stated it will be on River Street, just east of Zeytin. VanderWulp stated good signage will be important at that location. Mac Anaspie agreed and stated that she would like to get permanent signage. Normally, there are several 4ft. x 10ft. banners placed throughout the Township. She is looking in adding a banner on the fencing at Ada Dr. and Thornapple River Dr. Mac Anaspie also stated that there are signs that go up on the morning of the event to alert the public that the Market is open.

Haga asked, for insurance and liability reasons, if an agreement is being worked out with the condo association. Ferro stated they are reaching out to the condo association regarding an agreement.

# VII. APPROVAL OF FARMERS' MARKET MANAGER CONTRACT FOR FY 2019-2020

It was moved by Haga, seconded by VanderWulp to approve the Farmers' Market Manager Contract for FY 2019-2020 as presented. Motion passed unanimously.

# VIII. REPORTS AND COMMUNICATIONS

### a. Township Signage Update

Ferro stated the Township is currently working with a consultant whose services are being covered by Amway on a donated basis to come up with an integrated and coordinated design for signage to

replace all of the existing signage identifying all types of Township facilities. The DDA has budgeted for a new Village entry sign at M-21 and Ada Drive. A couple meetings with the consultant have taken place and another will be scheduled soon to review refined options for the signs.

# b. Riverfront Park Construction Update

Ferro stated the architect is working on the construction plans and a DEQ permit application for the amphitheater which is planned to be under construction this spring.

# c. Community Center/Library Building Update

Ferro stated the architect has provided renderings and a floor plan. There is still a lot of detail that needs to be added such as exterior materials and color selection. The floorplan design will continue to be developed in the current design phase. The cost estimate continues to be refined as the design gets more specific. Soil borings will be conducted soon.

VanderWulp asked if there will be signage indicating where public parking will be. Ferro stated yes, and there are currently two signs which will be installed this spring at the Community Church property at Thornapple River Dr. and Headley Street.

VanderWulp recommended adding public parking signage for Bronson Street and other areas where parking is obscure.

# d. Report on Comparison of DDA Event Involvement

Hilbrands provided a report and gave a brief overview of what types of events other DDA's are currently involved in. Hilbrands noted that the Cascade DDA is looking into creating a Special Event Permit Application that would allow businesses to apply for event funding from the Cascade DDA.

The report also provided a summary on the activity of Downtown Grand Rapids Inc. (DGRI). Hilbrands stated he spoke with Megan Catcho, the Event Coordinator for DGRI. DGRI is involved with planning and putting on several annual events such as Movies on Monroe, Relax at Rosa, World of Winter, State of our Downtown, and Light up Downtown. Their main focus is activating the downtown area. They try to partner with local businesses to cross promote.

(VanderWulp left the meeting at 9:04 a.m.)

# e. 2019 Leprechaun Hunt

Hilbrands noted that the Leprechaun Hunt will be taking place this Friday, March 15<sup>th</sup>. There are a number of businesses participating in the event his year. Hilbrands stated this is a great opportunity for businesses to be involved and there is no sponsorship cost to participate. Businesses are just asked to provide some sort of handout for the children.

# f. DDA Financial Report, 2/28/19

Hilbrands gave a brief overview of the February financial activity as outlined in the board packets including sponsorship payment to the Ada Business Association for the 2018 Tinsel, Treats & Trolleys event, and payment to Woods Landscaping for January snow removal and salting services. Farmers' Market expenses for 2019 are \$105.00.

#### March 2019

#### **Fire Training**

This month Lt. Brian Anderson made a presentation on our Rapid Intervention Team (RIT) strategies. The duties of the RIT is to have two members outfitted and ready to make entry in the event of a trapped or injured firefighter during a structure fire. They have no other duties while on scene, they have a compliment of tools which are for use by their team only and monitor all radio traffic. We always train for the worst scenario and fortunately have never had to implement these services.

#### **Medical Training**

Our in house medical credits were earned in the pediatric emergencies category this month. It is not often that our patients are children or infants so to keep fresh on our skills is vital. This is a category that we review annually. Our instructor was Buzz Goodblood, he began in January as our EMS instructor and has been doing an outstanding job.

#### **Fire Training**

Lt. John Ferin coordinated a guided tour of the River Point Condo project. The site manager was able to take us through the two types of condos that are under construction, as well as a few of the homes that are nearing completion. We were able to become familiar with the locations of utilities for the various buildings as well as hydrant locations and street configurations. This is also an opportunity to remain current with the latest in building construction techniques.

#### The Community

Again this year we were the Girl Scout delivery center for our area. Approximately 50,000 cases of cookies arrived at 8am and were distributed by 4pm to parents. This is a great opportunity to support the Girl Scouts, and maybe sample a few types of cookies.

Our team was on hand at the annual Forest Hills Business Expo again this year. This is a great opportunity to meet the public and answer questions about fire safety and the services we provide. We had plenty of coloring books and escape route materials for families to take home and complete.

# **New equipment – Cancer Preventative Measures**

A leading concern of fire departments across the country is cancer in the fire service. Many steps are being taken to prevent cancer among firefighters. Some of these changes involve apparatus design which eliminates contaminated gear and equipment in the cabs of trucks. Another is a set of gear for fires and a second for non-fire responses. Turn out gear upgrades are also another of many changes. Fortunately not prevalent in our department the Metro Dade Fire Department in Florida has reported 1 in 3 firefighters with some form of cancer. Similar results are common among the larger departments across the country.

Our first step in this fight is to provide a new type of hood to each of our firefighters that will reduce the risk of cancer causing particulates that make contact with the skin. This will be the first of many changes that may someday become mandatory. The cost to outfit our members is over \$ 2000.00 for these hoods. We have been more than fortunate to a very gracious and longtime donor in Central States Property Management to offer to pay over half of this cost. The Ada Firefighters Association felt strongly about also supporting this purchase and has taken a portion of the monies from the Beers and Brats events to finance the remainder. These hoods will be used only on the fire ground, our current hoods will be cleaned and used for non-fire tasks.

# Ada Township Parks & Recreation Department Park Director's Report For April 11, 2019 Submitted by Parks & Recreation Director Mark Fitzpatrick

# **Updates on Administrative Items**

# **Staffing Updates**

\*Rob McCormick returned on March 22<sup>nd</sup>.

\*We are setting interviews for the Intern and Kids Garden Coordinator positions

# **Planning Initiatives**

- \*The Community Center/Library project is getting close to the construction bid stage.
- \*The rules sub-committee completed their recommendations on the Roselle Park rental guidelines and pricing changes. The Township Board approved them. We have opened the rental to all folks under two categories: Residents/Non-Profits and Non-Residents.
- \*We aim to start the process of setting up a RFP for a consultant to developing a Master Plan for Leonard Field Park.
- \*A Space Needs Assessment for the park office and maintenance building is planned for this year in coordination with one for the Township Hall.

# Updates on Parks, Preserves, Trails and Related Projects

\*Flooding levels were high in March, but no significant damages. The late winter storms left a lot of woody debris and broken tree branches which we are still working on cleaning up. \*Spring weather has brought many people out to the parks.

# Updates on Parks, Preserves, Trails and Related Projects continued ...

# Ada Township Park

\*Spring clean-up and follow-up on the storm debris is underway.

\*The shelter and Gazebo have been serviced and are back open for the season.

\*The soccer field and softball fields are back in use with afternoon and evening games.

\*Field rentals for youth soccer and frisbee start this week.

- \*We are getting estimates for an upgrade to the electric system in the park office and Learning Center. The Midstate Security requires a dedicated line and the circuit box needs replacement.
- \*The contractor Jordon Intercostal is starting back for the repair work on the paved trail along Buttrick drive, the paved paths within the arboretum and the landscaping in the park.
- \*The proposed project for this year to do a trail connector around Ada 2 softball field and adjusting parking spaces is to be reviewed.

# **Roselle Park**

- \*The DEQ Permit for the improvement project in the north section non-paved trails was submitted and is being reviewed. A site inspection is planned. The DEQ posted a Public Hearing on line. We are still targeting the construction phase for mid-late summer.
- \*The MI DNR Non-Game Trust Grant application was submitted and accepted. Any feedback is expected within 30 days.
- \*We the recent change in fees and guidelines for renting out the Roselle Park meeting room we are now accepting private groups.

\*The park had high flood levels in March. They are receded now.

- \*Planning for programs to be held at the Riverside/Settler's Park has not formally started yet since we don't have a firm "construction end date".

# ADA TOWNSHIP PARKS, RECREATION AND LAND PRESERVATION ADVISORY BOARD MINUTES OF THE THURSDAY, MARCH 14, 2019 REGULAR MEETING 4:00 P.M., ROSELLE PARK, MEETING ROOM 1010 GRAND RIVER DR NE, ADA, MICHIGAN

# 1. Call meeting to order/roll call

Present:Crosby, Haga, Jacobs, Levick, Roe, Steketee, TerwilligerAbsent:Damstra, Nowak, Schmottlach, VandenBergeStaff Present:Fitzpatrick, WinczewskiPublic Present:None

# 2. Approval of agenda

Terwilliger moved to approve the agenda. Levick supported. Motion carried unanimously.

# 3. Approval of minutes of the December 13, 2018 meeting

Terwilliger moved to approve the minutes of the December 13<sup>th</sup> meeting as presented. Steketee supported. Motion carried unanimously.

# 4. Updates on Capital Improvement Plan and FY 2019-20 budget

Haga stated the CIP and budget for FY 2019-20 was approved by the Township Board on March 11th. The Trails Fund will have \$100,000 transferred in from the General Fund for maintenance and repair operations in the new fiscal year. The bond payment in April will decrease the Trails Fund balance.

Jacobs stated the Trails Fund is on the Township Board's radar.

Haga stated the Trails Committee will be forming soon. Multiple people have expressed interest in being on the committee.

# 5. Approval of changes to Roselle Park rental fees and guidelines

Fitzpatrick gave a brief summary of the proposed changes to Roselle Park's rental fees and guidelines. The Roselle Park Meeting Room Confirmation Letter & Rental Agreement has been updated and included in the board packet for review. A vote is not needed for that document.

Fitzpatrick stated the Township Board previously made a Resolution to make changes to the Ada Township Parks & Recreation Department, Facility Use Fees. The PRLP Advisory Board needs to review and approve the updated fee schedule.

There was a brief discussion on whether or not damage deposits should be included. Haga stated he thought it was already decided to eliminate all damage deposits.

Crosby suggested obtaining a credit card number from the renter to keep on file. Fitzpatrick stated there is a goal to have a credit card process for all Township transactions, however, the Treasury department does not currently have that in place.

Fitzpatrick reminded the Board that there is a clause in the rental agreement, which the renter signs, which states the renter is responsible for all damages arising from their event.

Terwilliger stated that damage incurred will likely be more than the damage deposit or less than the damage deposit. Either way, staff would have to bill the renter or give a refund. Terwilliger recommended eliminating all mention of damage deposits.

It was moved by Haga, supported by Levick, to recommend the proposed changes to all Ada Township Park Rentals as submitted but to eliminate all damage deposit fees. Motion carried unanimously.

Discussion ensued over the Facility Use Fees document. It was moved by Terwilliger, supported by Crosby, to approve the new fees and categories in the Facility Use Fees document as submitted noting to correct all spelling and capitalization errors. Motion carried unanimously.

# 6. Committee Reports – Updates

Stewardship Committee – Roe stated they met two days ago and decided they need to move ahead and market to residents who have large areas of property or property with riparian rights. There is a lot more work to do in terms of identifying people with these types of property. Crosby stated the purpose of marketing to them is to make them aware of the sensitive features of their property. Next meeting for the Stewardship Committee is set for April 2, 2019.

Steketee left the meeting.

# 7. Park Director's Report and Current Project Updates

Fitzpatrick reviewed the Chief Hazy Cloud Park Land Acquisitions document provided in the board packets. Board discussed the need for more communication from Kent County and decided that until that happens additional payments should not be made.

Fitzpatrick gave a brief summary of the upcoming Community Expo, scheduled for March 16<sup>th</sup>. He requested a volunteer to help with the booth. Roe volunteered to help.

# Crosby left the meeting.

Fitzpatrick stated Lauren Harvey has been hired as the Parks and Recreation Program Assistant. She was the best candidate and is a welcomed addition to the staff.

# 8. Board Member Comment

Roe reminded the Board of her plan to step down as Chairperson effective April, 2019.

Levick stated she will not be able to attend the April meeting.

# 9. Public Comment

There were no public comments.

# 10. Adjournment

Respectfully Submitted,

Meeting was adjourned at 5:14 p.m.

Jacqueline Smith, Township Clerk

# ADA TOWNSHIP PARKS, RECREATION & LAND PRESERVATION ADVISORY BOARD FY 2018-19 ANNUAL REPORT TO THE TOWNSHIP BOARD

# April 3, 2019

Advisory Board Members: Betty Jo Crosby (Vice Chair), Randy Damstra, George Haga (Township Supervisor), Catherine Jacobs (Trustee representative), Paul LeBlanc (Trustee representative), Wayne Nowak, Elise Roe (Chairperson), Rick Steketee, Kraig Schmottlach, Mike Terwilliger, and Jeff VandenBerge.

**Member Changes:** Paul LeBlanc resigned from his position as Township Board Trustee just before the December, 2018 meeting. Judy Levick was welcomed onto the Advisory Board for a 4-year term beginning on January 7, 2019.

**Staff Reporting:** Jim Ferro, Planning Director; Mark Fitzpatrick, Parks Director, Rob McCormick, Softball Coordinator.

**Meetings:** 8 regularly scheduled meetings and 1 special meeting were held on the second Thursday of the month. *Note that 2 of the regularly scheduled meetings did not have a quorum.* No meetings were held in June, August or January.

# **Grand River Water Trail Initiative**

After a presentation from Natalie Henley of WMEAC regarding the recreational, economic, conservation/environmental, and cultural benefits of water trails, the PRLP Advisory Board recommended that the Township Board support the Grand River Water Trail Initiative. The Township Board unanimously adopted a resolution to support the Initiative on 06/11/18.

# **Recreation Needs Assessment**

A Recreation Needs Assessment process was carried out in June through October, 2018, with a final report delivered by the consultants, Mainstreet Planning Company and RJM Design Group, in November, 2018. Community input was gathered from workshops and online comments. The Assessment provides Ada Township with recommendations for the development of new parks and trails, the addition of recreation amenities in existing Township parks, and a guide for planning future recreation programs and support services. It will also lend support when applying for grant funding.

# **Standing Committees**

Going forward, the PRLP Advisory Board will have 3 standing committees with the following members:

- 1. Trails (Non-Motorized Bike Paths) Haga, Jacobs, Moran, Nowak and VandenBerge
- 2. Land Preservation and Stewardship Crosby, Roe and Steketee
- 3. Recreation Programs, Services and Facilities Levick, Schmottlach and Terwilliger

### **Temporary Sub-Committee**

1. Rules & Policies – Haga, Jacobs, Roe, Schmottlach, Terwilliger

The rules committee assisted with updating the facility use guidelines and fee structure for rentals at the Roselle Park building.

Parks, Recreation & Land Preservation Advisory Board Annual Report to Township Board Page 2 of 3

# **Riverfront Park**

Major components of the new Township park on the Thornapple River in the Village were completed in 2018, including playground, restrooms, seating plaza, sidewalks, landscaping and river bank stabilization were completed in 2018. Remaining work to be completed in 2019 includes the amphitheater, irrigation, additional sidewalks and lawn establishment. A formal ribbon cutting and naming event is scheduled for May 23, 2019.

## Knapp/Grand River Dr. "Gateway" Sign/Landscape Improvements

Katerberg Verhage completed the Ada Township entry sign and landscaping improvements at the corner of Grand River Dr. and Knapp. Consensus from the Advisory Board is that it looks nice but the Ada Township sign and logo are difficult to read. Options for improving visibility of this sign are currently being reviewed.

### **Roselle Park Improvements**

The Advisory Board recommended the Township apply for a MI DNR Trust Fund Grant to cover 50% of a development project at Roselle Park set for 2021. It focuses on the following Roselle Park improvements:

- 1. Improvements to the south parking lot.
- 2. A new picnic area with universal accessibility.
- 3. A group picnic gazebo.
- 4. Playground and stream access improvements.

The grant application was submitted in March, 2019 to the Michigan DNR. A funding decision on the application by the Natural Resources Trust Fund Board is expected in December, 2019.

A floodplain/wetland permit application was submitted to the Michigan DEQ for drainage and trail system improvements on the non-paved trails in the north section of the park. The work is to be completed in summer or early fall of 2019.

### **Roselle Park Building Meeting Room Acoustics Improvements**

Installation of a spray-on acoustic finish to the room ceiling was completed in April, 2018.

### **Non-Motorized Trails**

Repair of several sections of the Township's trail network were completed. These included repairs to pavement, boardwalks and bridges. Additional work was done on the paved trails in Ada Park and parking lot at Leonard Field Park. The project was left partially incomplete in 2018 with the remaining work, including re-location of a portion of the paved trail in the Grand River Nature Preserve, to be completed in early 2019.

### **Capital Improvements Plan**

The Advisory Board provided input to the annual update of the Township's 6-year Capital Improvements Plan.

# Ada Park Tennis and Pickle Ball Courts

The new tennis and pickleball courts at Ada Township Park were completed in July, 2018.

Parks, Recreation & Land Preservation Advisory Board Annual Report to Township Board Page 3 of 3

# Kent County Chief Hazy Cloud Park

The Advisory Board and staff maintained communications with the Kent County Parks Department regarding the expansion of their Chief Hazy Cloud Park and our dedicated funds to help support that initiative. Funds are expected to be paid out later in 2019.

Respectfully submitted,

Elise Roe, Chairperson

Ada Township Board Ada Township Hall 7330 Thornapple River Drive SE Ada, Michigan 49301

Dear Ada Township Board Members:

COSDI Racing Team and their directors, as the organizers of the proposed "Ada Criterium", extend our sincerest gratitude for your time, feedback, and assistance thus far in the planning process for this event. As we continue to move forward in planning, we welcome any additional feedback you have that will help us to create a successful and safe event that is beneficial to the community while seeking to highlight some of the great things happening in Ada while showcasing and promoting how cycling can be part of a healthy lifestyle and community.

This letter seeks to fully inform the township board of all relevant aspects of this proposed event and requests any relevant feedback the township board deems necessary for ultimate approval of the event.

**Event Basics:** June 15, 2019 from noon to 8:00 PM. Reference the attached maps for road closure details.

**Coordination with local businesses:** Upon full approval of said event we the organizers will thoroughly communicating with and coordinating with all affected businesses and other entities in the Ada Village area. This communication includes providing businesses and the community with a thorough overview of the event, the event traffic detour plan, opportunities to get involved with the event, and a mechanism for feedback prior to and after the event occurs.

The organizers have formed working relationships with a number of local businesses in and around Ada who are providing sponsorship funding, in-kind donations, or other event support. These businesses (not inclusive) include: The Center for Oral Surgery & Dental Implants; Velo Law; the Michigan Dental Association Foundation; Ignite Your Event; ITS Partners; Inlantia Mortgage; Amway; and The Community Church of Ada.

#### COSDI Racing – Ada Criterium Proposal

**Event Safety:** This event will be a registered event with USA Cycling, the national governing body of amateur and professional cycling in the United States. USA Cycling licensed judges will be on-site to ensure compliance with all rules and regulations . As such, this event will be fully **insured**, sanctioned, and monitored by USA Cycling. On site event safety will include a fully closed course that will be USA Cycling approved, traffic detour routing, barriers and other safety features, volunteer personnel at every corner, EMS on site, and any other necessary safety measures. The course safety plan will be fully reviewed with the USA cycling officials to ensure completeness.

**Participants & Registration:** The race participation categories will include events for all ability levels, as allowed by time constraints. This will include ability and age-group categories recommended by USA Cycling and their state affiliate, the Michigan Bicycle Racing Association. Registration for the event will take place through the USA Cycling website. All regular participants will be USA Cycling license holders, or hold single-day racing licenses. This ensures that all participants are covered under the USA cycling insurance.

In addition to the sanctioned race categories, there will be a kids race of a lap or less (depending on age/ability) for any 10 and under youth who wish to participate. This event does not require a USA Cycling license, and on-site registration will be available. Parents of participants will be required to sign a waiver allowing participation.

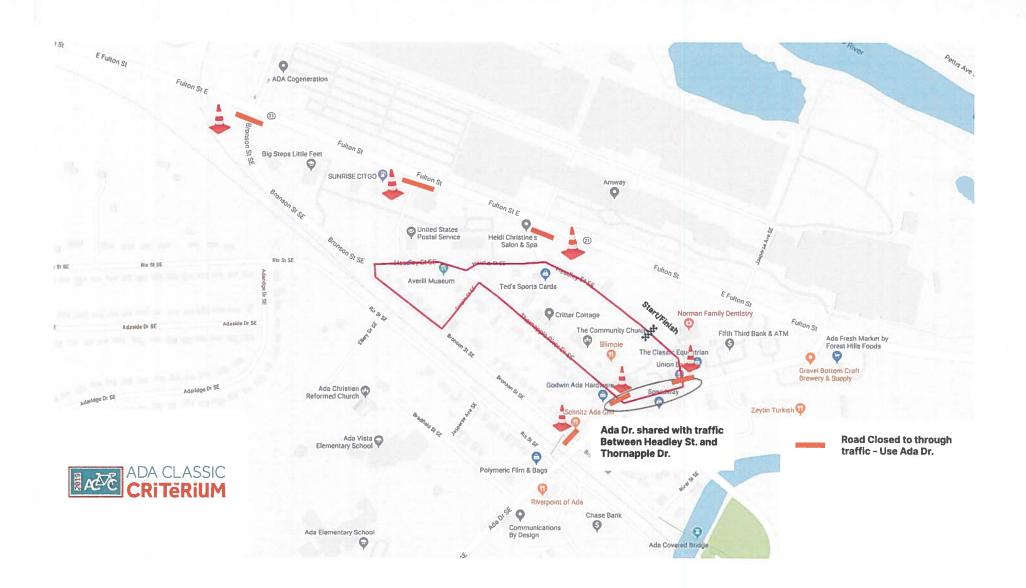

Promotion of this race will include the websites of USA Cycling and the Michigan Bicycle Racing Association, through the Michigan Dental Association Foundation to their donors and member practices, through Excite Your Event and other race partners, and via social media outreach. With the township board's consent we would provide a document describing the event details for inclusion in the community events bulletin.

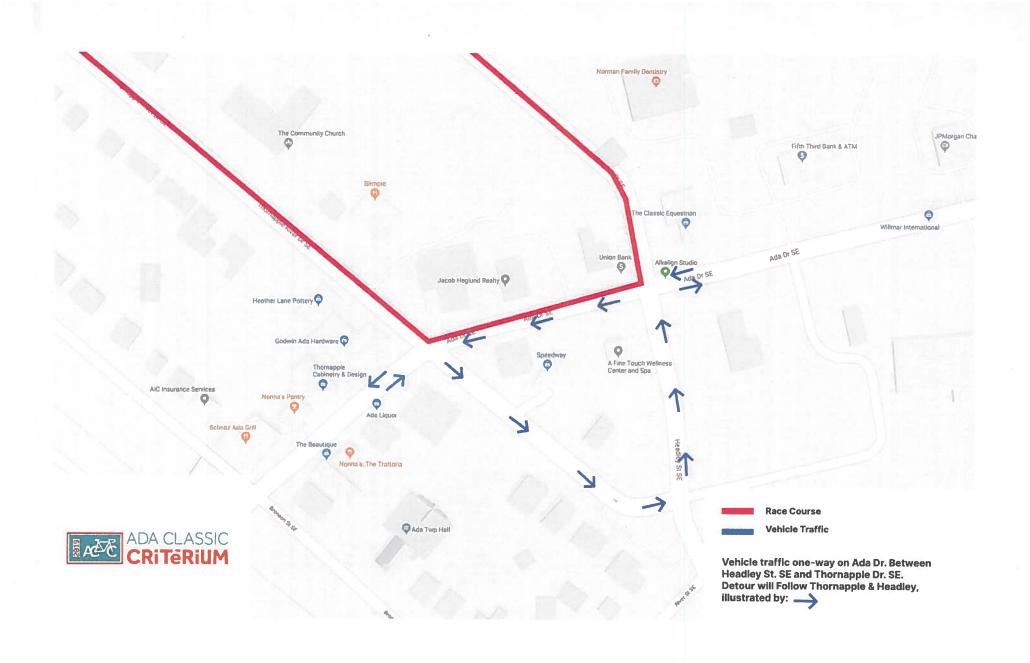

**Request for Authorization/Approval of Proposed Event and road closure:** Based on the information included within this letter, COSDI Racing hereby requests approval to host this event in Ada Village and road closures on course.

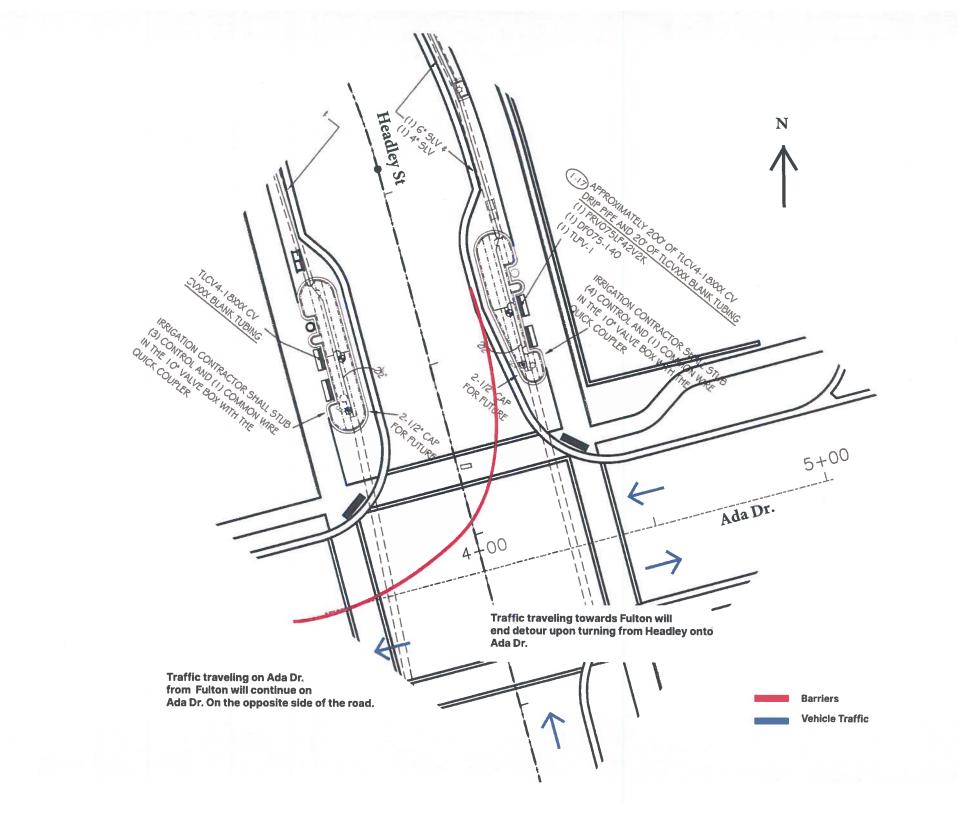

Sincerely,

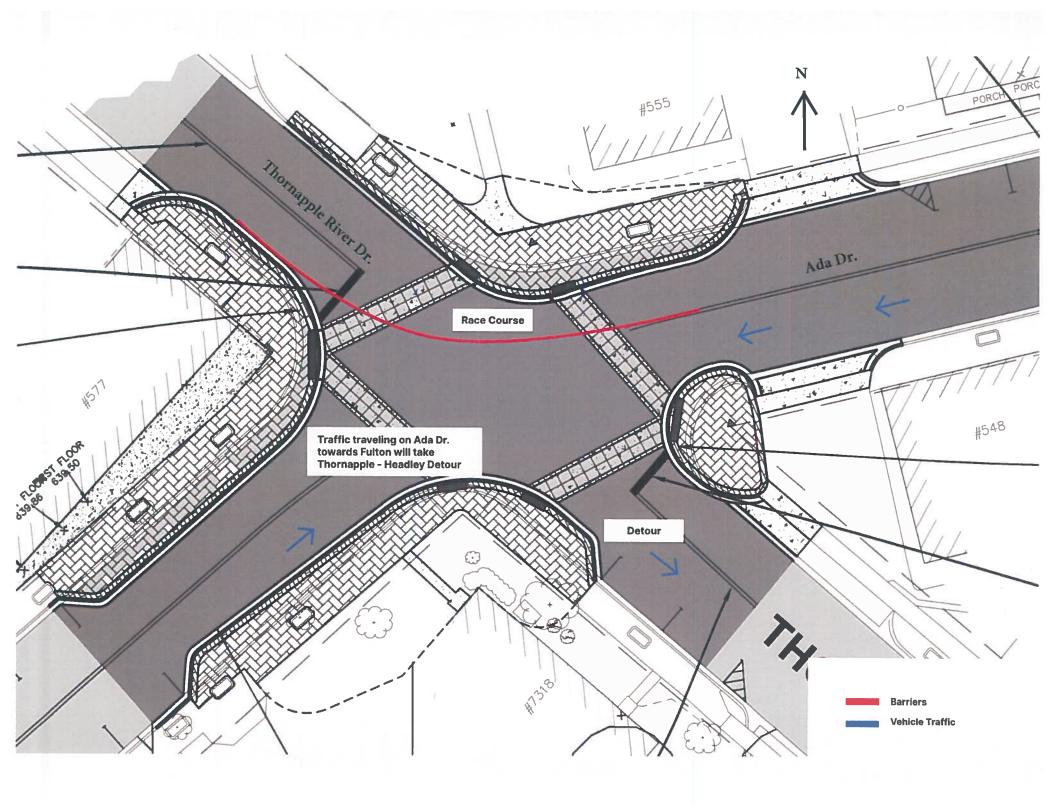

**COSDI Racing management** 

**About COSDI Racing:** Ada Bike Team, Inc. d/b/a COSDI Racing is a domestic nonprofit corporation registered with the State of Michigan. Ada Bike Team has a mission of education, leadership development, and promotion of competition in cycling.

# MEMORANDUM

Date: 4/15/19

TO:Ada Township BoardFROM:Jim Ferro, Planning DirectorRE:Approval of Name for Riverfront Park, and Proposed Donor Recognition Installation at<br/>the Park

The Township has been working with representatives from the DeVos family foundations to develop an appropriate means of recognizing the significant contribution of the foundations to the Envision Ada capital campaign. In lieu of a recognition sign, a conceptual plan has been developed for a public art installation in the new riverfront park that would recognize the achievements and contributions of Helen and Rich DeVos in Ada and the greater Grand Rapids community.

Prior to the Foundations proceeding further with final design and construction of this proposed public installation, action by the Township Board is sought to 1) approve the proposed name of the park and 2) authorize placing the installation in the park and accepting it as donated public art that will be owned and maintained by the Township.

### Naming of Riverfront Park:

The DeVos family foundations, in making a \$2.5 million contribution to the Envision Ada park and civic projects, have requested that the riverfront park be given the name "Legacy Park – in memory of Helen and Rich DeVos." If approved by the Township Board, the name of the park will be identified on identification signs at the park.

Adoption of the attached resolution officially naming the park is recommended.

### Proposed Donor Recognition Installation:

Attached are renderings of the proposed recognition installation, as well as a site plan depicting the approximate location of its placement in the park.

Recognizing Rich DeVos's passion for sailing, the installation would feature a sailboat theme, consisting of brushed stainless steel "sails" arranged as 3 sailing boats on a concrete base. Yet-to-be-written memorial text pertaining to Helen and Rich DeVos would be etched into the sails. The final installation design could include all of the elements shown on the renderings, or could be reduced to include only one or two of the sail groupings. If constructed in its entirety, the dimensions of the concrete base would be approximately 15 feet by 45 feet, with the "sails" ranging in height from about 7 feet to 12 feet. The installation would be located adjacent to the 10-foot wide concrete path that parallels the river bank, between the path and the schoolhouse plaza. The use of stainless steel and concrete materials for the installation ensures that it would be very durable and require minimal upkeep.

### Recommendation:

The proposed installation in the riverfront park would be a signature element of visual interest and attraction to people of all ages, while also providing appropriate recognition to Helen and Rich DeVos.

Authorization to place the installation in the park and accept it as donated public art that will be owned and maintained by the Township is recommended.

# ADA TOWNSHIP RESOLUTION NO. R-042219-\_\_\_\_ ADA TOWNSHIP KENT COUNTY, MICHIGAN

At the regular meeting of the Township Board of Ada, Kent County, Michigan held at the Township Hall on the 22nd day of April, 2019.

#### PRESENT: ABSENT:

The following Resolution was offered by \_\_\_\_\_ and supported by \_\_\_\_\_

**WHEREAS**, Ada Township is nearing the completion of development of a new public park on the Thornapple River located at 7450 River Street SE, and

**WHEREAS**, several family foundations established by Helen and Rich DeVos and their family members have collectively made a substantial lead donor gift to the Envision Ada capital campaign that financially supports the development of the new riverfront park, and

# MATERIALS

A darker brushed metal will keep the sunlight from reflecting off of the metal and to give the metal a different tactile feel. Concrete provides a sturdy base that can be walked on and will fit into the setting.

Brushed Metal

Concrete

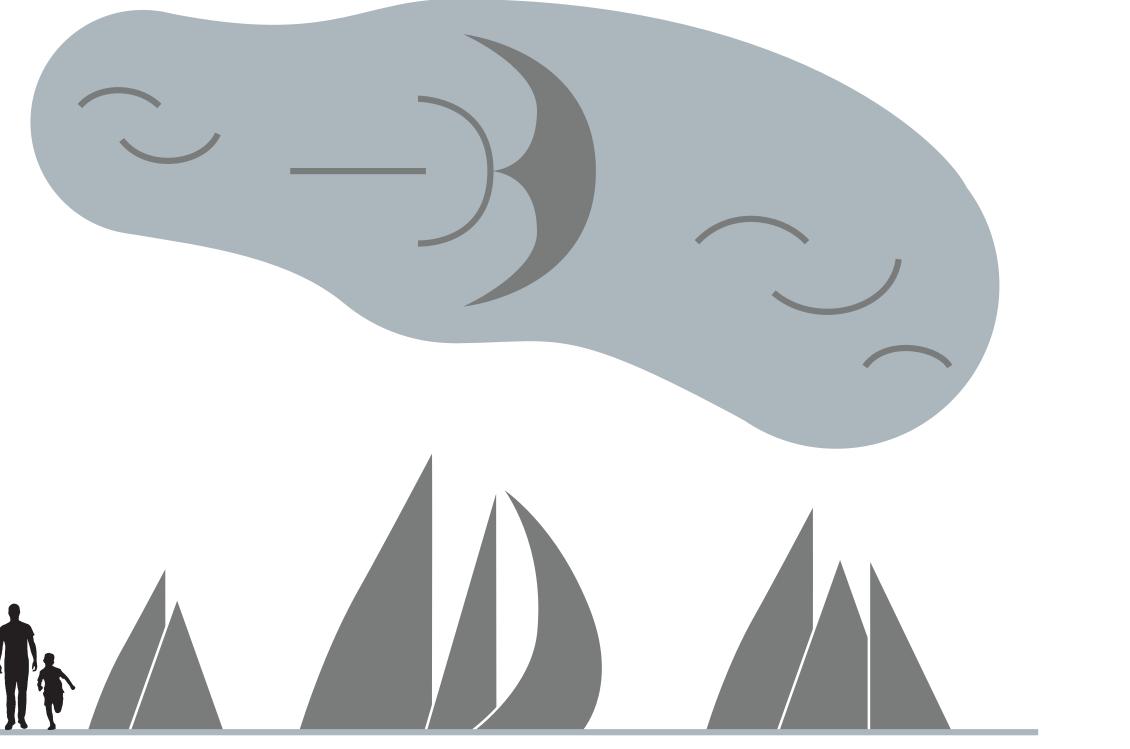

# CONCEPT

This concept consists of three boats. With metal sails and a concrete base they appear as though they're traveling down the river. Positioned in the grassy area located next to the river, they create fun spaces for kids to play around in. Type is cut out of the metal, incorporated into the design of the sails.

As alternates, the collection of three boats could be reduced to two or one boat. They could also be constructed in the grass, without a large cement base.

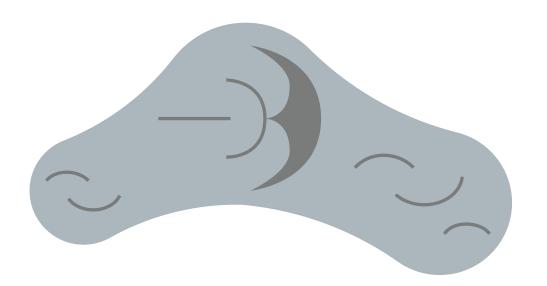

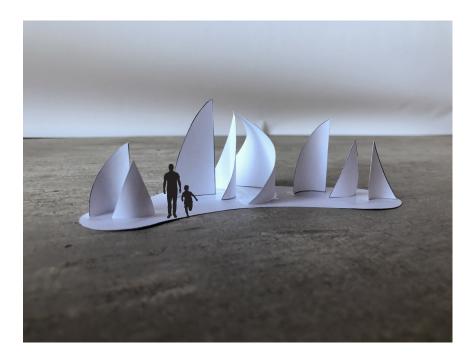

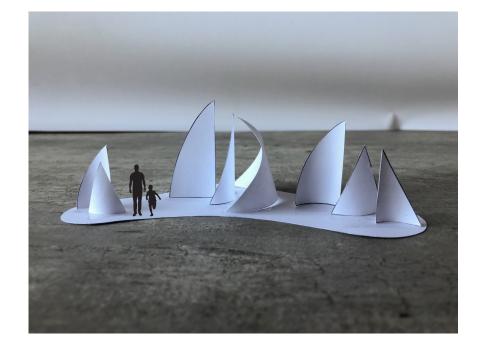

# **BASE LAYOUT 1**

This base shape places each section in a subtle circle, connected between with smooth lines to create an organic, rounded shape.

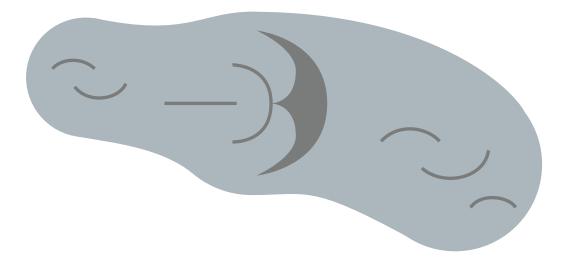

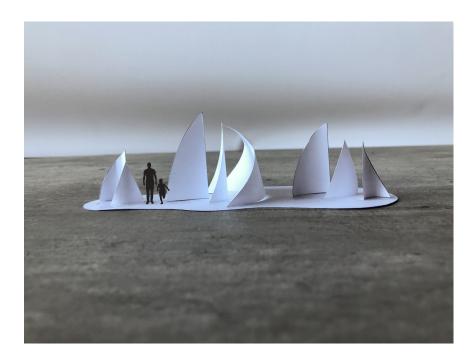

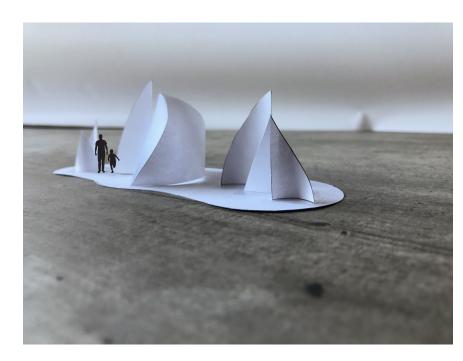

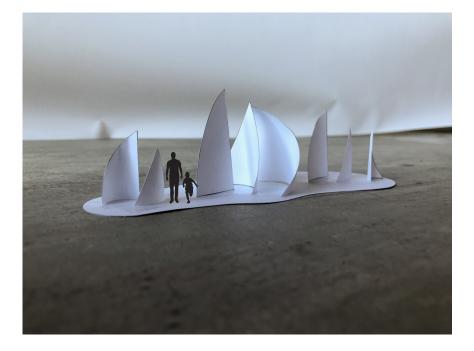

# **BASE LAYOUT 2**

This base follows the shape of the sidewalk, adjusted to the fit into the space that is there.

# LOCATION

Within the park, the structure is placed next to the river. This accentuates the sense that the boats are sailing on the water ,integrating it as part of the experience.

# MEMORANDUM

Date: 4/11/19

# TO:Ada Township BoardFROM:Brian Hilbrands, DDA CoordinatorRE:Extension of Agreement with The Community church for use of property for<br/>Farmers' Market

The letter agreement between the DDA and The Community, an RCA Ministry in Ada, allowing use of the church parking lot for the weekly Farmers' Market expired at the end of the 2018 season.

The DDA Board and The Community wish to extend the agreement through the 2019 season, as provided in the attached "2019 Amendment of Farmers' Market Agreement."

As in the original agreement, the Township is a party to the extension agreement in a "joinder" provision, for the sole purpose of insurance provisions and indemnification.

The Community has already verbally approved the agreement, and it was approved by the DDA Board on the morning of April 8.

Approval of the Joinder provision in the 2019 Amendment by the Township Board is requested.

# Re: 2019 Amendment of Farmer's Market Agreement (to extend term)

To the Above:

The DDA and the Church are parties to a certain letter agreement between the Church and the DDA dated June 16, 2009, as amended by letter agreements dated May, 2012; June, 2014; May 24, 2017 and May 22, 2018 (collectively the "Farmer's Market Agreement") concerning the use of the Parking Lot for a Market (both as defined in the Farmer's Market Agreement). (Note: the June, 2014 letter of amendment was described as "3<sup>rd</sup> Amendment of Farmer's Market Agreement," even though there had only been one prior amendment entered into between the parties.)

This letter, when signed by the Church and the DDA below, will be our agreement to extend the term of the Farmer's Market Agreement through October 31, 2019.

The DDA acknowledges that its rights are subject to a lease between the Church and Ada Township concerning the Township's right to use portions of the Church's property for public parking.

In all other respects, the terms and conditions of the Farmer's Market Agreement, as previously amended and as amended by this 2019 Amendment, shall continue in full force and effect.

By signing this 2019 Amendment, each of the DDA and the Church is representing to the other that it has taken all steps necessary to approve this agreement and that the persons signing this 2019 Amendment on its behalf are authorized to do so.

# **JOINDER**

ADA TOWNSHIP (the "**Township**") hereby joins in this Agreement solely for purposes of *Section 5* of this Agreement, as amended. Specifically, the Township: (1) agrees to furnish the Church with proof of the Township's liability insurance on use of the Parking Lot by Vendors, Patrons and the DDA, the terms of which shall provide at least \$1,000,000 of coverage and shall name the Church as an additional insured; (2) shall indemnify, hold harmless, and defend the Church, its agents, members, and employees, from and against any loss, liability, cause of action, or claim for personal injury, property damage, or loss of life or property arising from the use of the Parking Lot by Vendors, Patrons and the DDA; and (3) to the extent covered by insurance, whether obtained for the purposes of this Agreement or otherwise, waives all rights of recovery against the Church and its agents, members, employees, and guests arising from damage to the Township's or the DDA's property or the claim of any third party with respect to the Market or the use of the Parking Lot. The Township further agrees that its indemnity, hold harmless, and defense obligations shall survive any termination of this Agreement.

By signing this Agreement, the Township is representing to the Church that the Township has taken all steps necessary to approve its Joinder in this Agreement and that the persons signing this Agreement on its behalf are authorized to do so.
