#3 Seed

The higher team shall be the home team regardless of the dugout. If playing doubleheaders, teams are not required to change dugouts between games.

Seeding shall be completed using the following factors:

1. Overall Record

2. *Head-to-Head Record*

3. Run Differential in Games between Teams

4. Overall Run Differential for Season

*If 3 teams are tied with the same record, the team with the best record in matchups between the three teams shall be the highest seed of the 3.

The two remaining two teams shall start again with head-to-head record. If still tied, seeding goes directly to overall run differential.

If four or more teams are tied, seeding will directly to overall run differential.*
