Do-Not-Knock Registry Form

The Ada Township Board has amended the chapter of the Township Code that covers solicitors. The ordinance creates a "Do-Not-Knock Registry". Residents of Ada Township who sign up for the Registry will be able to restrict solicitors from coming to their homes to solicit the sale of goods and/or services. Please note that representatives of religious, charitable, or political organizations are not subject to the requirements of the solicitation ordinance and will not be subject to the Registry. Solicitors who are issued permits from the Township will be required to obtain a copy of the current "Do Not Knock Registry" list at the time they receive a permit.

To add your address to the Do Not Knock Registry please fill out the following information, read and review the disclaimer, sign and date the form, and submit the signed form to the Ada Township Clerk's Office.
