Ada Township

FY 2021-2022 Budget Document

Introduction:

The staff has worked extremely hard on this proposed budget as well as the 2021-2026 capital improvement plan that identifies capital purchases over the next six years. We believe that it will provide clear guidance on what Ada Township is planning on accomplishing over the upcoming year.

General Fund Summary – (101)

The general fund is made up of property taxes (.8935 mills), revenue sharing, cable license fees, interests and rents, charges for service and other miscellaneous revenue. The general fund is proposed to bring in \$2,803,250 in revenue. Staff is budgeting for an increase in property taxes (\$994,475) based on new construction and property values increasing. State Revenue Sharing is somewhat uncertain as the revenue implications of COVID-19 are not fully known and FY 2020-2021 totals came in lower than expected. The Township has budgeted \$1,187,000 which is based on recent estimates from the Department of Treasury. In the current fiscal year, it is likely that the Township will receive an increase in revenue sharing based on the 2020 census update, but that number has not been included to budget revenue conservatively. It is estimated this extra revenue could be between \$100,000 - \$150,000 annually.

New revenue for the township will consist of rental fees (\$30,961) for Kent District Library's use of the Amy Van Andel Library – Ada Community Center as well as community room rental fees (\$5,000).

Projects – *The Township is planning on spending \$535,000 on the following projects.*

1. \$388,000 for road reconstruction for Phase II watermain replacement in Adacraft/Adatowne neighborhood
2. \$50,000 for a Master Plan Update
3. \$30,000 for New Carpet in Township Hall
4. \$25,000 for a Phone System Replacement
5. \$20,000 for Office Improvements related to Hiring of New Staff
6. \$8,000 for the General Fund Share (33%) of a New Pickup Truck
7. \$6,000 for replacement of two sets of doors at Township Hall
8. \$5,000 for a speed sign for Ada Drive near Rix Street
9. \$3,000 for the General Fund Share (50%) of a New Plotter

Bond Principal Payments – The Township will pay off the 2011A Series bonds which were scheduled to run through FY 2028-2029. The Township will make its regular payments on the 2016 (\$43,542) and 2017 (\$14,641) Envision Ada Bonds.

In 2021-2022 revenues of \$2,769,619 and expenditures of \$2,767,360 will result in a surplus of \$2,259 at the end of the fiscal year. The Township is projected to finish the year with approximately \$2,991,000 in reserve funds. The Township had planned on loaning the 401 Capital Fund (Envision Ada) approximately \$900,000 but that number has been reduced to \$600,000. It is anticipated this loan will be paid back over the next three years so the fund balance will increase back to previous levels once complete.

The Township carries a large fund balance due to taxes not being received until the winter of each year meaning the Township is paying for 7 months of services without the majority of its tax revenue.

Public Safety Fund – (205)

In FY 2021-2022 the Public Safety Fund is proposed to have \$1,050,377 in revenue which is generated by .95 mills that the Township levies. The Township contracts (\$334,000) for police coverage through the Kent County Sheriff's department in a joint venture known as the East Precinct with Cascade and Grand Rapids Township.

Projects – The Public Safety Fund is planning on spending \$116,000 on the following projects.

1. \$75,000 to be placed in contingency for the future purchase of a Fire Truck
2. \$20,000 for a Rescue Boat
3. \$12,000 for Extrication Tool Replacement
4. \$5,000 to Replace an AED unit
5. \$4,000 to Replace Truck Computers

The fund will finish FY 2020-2021 with approximately \$1.1 million in fund balance but approximately \$743,000 is restricted to be used for future fire truck purchase. This leaves approximately \$373,000 in unassigned fund balance to start FY 2021-2022.

Township Trails Fund Summary – (211)

The Township Trail Fund is proposed to have \$1,691,592 in property tax revenue from the new 1.5 mill tax levy. Revenue also includes \$2,000,000 in bond proceeds as a place holder as the Township will be working through bonding to generate additional revenue to start construction on additional trail segments in 2021.

Expenditures includes staff support for maintenance and operation of the trail system including snow removal. The Township will also make its last bond payment on the previous trails bond package in the amount of \$470,000.

Projects – The trail fund has budgeted \$2,150,000 in funds to perform the following work:

1. \$950,000 in New Trail Construction (Projects still being determined)
2. \$500,000 for Replacement of Three Wooden Bridges on Ada Drive
3. \$260,000 for Resurfacing of a section of Ada Drive from Alta Dale to the Western Township Extent
4. \$150,000 for Engineering Services Related to New Trail Construction
5. \$106,000 for Resurfacing of the Consumers Energy Trail (Hall St. to Ada Drive)
6. \$85,000 for Resurfacing of the Grand River Natural Trail
7. \$50,000 for Trail Wayfinding Signage
8. \$49,000 for Repair Maintenance/New Construction Contingencies

In total the Trail Fund is projecting \$3,709,236 in revenue and \$2,779,869 in expenditures for a surplus of \$929,367. This is subject to change depending on the amount of the total amount bonded.

Parks & Open Space Fund Summary – (213)

This fund was originally used for a previous millage, but the Township has decided to keep it active and instead allow the PRLP the ability to transfer funds to this fund as available for future land preservation projects. The fund is anticipated to complete a \$400,000 payment to the Chief Hazy Cloud expansion project with Kent County by March 31, 2021. In FY 2021-22 the fund is projected to have interest revenue and no expenditures.

If the \$400,000 payment is made prior to the end of March 2021, the fund will end FY 2020-21 with approximately \$87,622.

Parks, Recreation, and Land Preservation (PRLP) Fund Summary – (214)

The PRLP fund receives revenue from a .6416 mill tax levy which is projected to generate \$714,108 in revenue for the current fiscal year. The PRLP fund also receives miscellaneous rents, interest and fees for recreation programs. The amount estimates for rentals and recreation programs are estimated on the low end as the Township still deals with COVID-19 and the restrictions that are in place for larger groups. Total revenues are estimated at \$887,533.

Expenditures include staffing, maintenance and program planning for all recreation activities in the Township.

Projects – The PRLP Fund is planning on spending \$348,500 on the following projects.

1. \$232,000 for Replacement of Lights at Leonard Field
2. \$38,000 for New Signage
3. \$30,000 for Legacy Park Erosion Control
4. \$18,000 for Ada Park Office Improvements
5. \$18,000 for a Parks Master Plan Update
6. \$8,000 for a Share (33%) of a New Pickup Truck
7. \$4,500 to Pay Remaining Retainage on the Roselle Non-Paved Trail Project

In total the PRLP Fund is projecting \$887,553 in revenue and \$1,058,946 in expenditures for a deficit of \$171,413. The fund is projected to end FY 2021-2022 with a fund balance of approximately \$750,000. The deficit is due to capital expenditures and is not an operational budget deficit.

Brownfield Authority Fund Summary – (243)

The Brownfield is budgeting \$181,039 in revenue and \$181,039 in expenditures resulting in a balanced budget. This fund will continue to pay back expenses approved as part of the Brownfield Plan until the October of 2024 based on staff projections.

Downtown Development Authority Fund Summary – (248)

The DDA is budgeting \$675,304 in revenue which is made up of approximately \$65,000 in property taxes, \$361,000 in a DDA millage (1.9724 mills), \$150,000 in Local Community Stabilization funds (Personal Property Tax replacement) and additional revenue from events, the farmers market and interest.

Wages include the hiring of a fulltime DDA Director, a position that has been vacant since early 2020. The contract services of \$65,000 include sidewalk snow removal, a strategic plan consultant and funds for marketing consulting services. Beers at the Bridge plans and Tinsel Treats and Trolleys are still uncertain due to COVID-19 but the DDA has included expenditures of \$82,500 which are offset by planned revenue of the same amount.

Projects – The DDA Fund is planning on spending \$318,500 on the following projects.

1. \$40,000 on Streetscape Furniture and Refuse/Recycling Containers
2. \$27,000 for a Village Gateway Sign

For fiscal year 2021-22 the DDA Fund is projecting \$675,304 in revenue and \$598,224 in expenditures for a surplus of \$77,080. The fund is projected to end FY 2021-2022 with a fund balance of approximately \$845,000.

Building Department Fund Summary – (249)

The Building Department is budgeting \$250,000 in revenue based on anticipated permit fees and \$251,931 in expenditures (wages of support staff and contract fees paid to Cascade Township) resulting in a deficit of approximately \$1,931. The plotter that was previously funded 100% by the planning department has now been split with the building department with each fund paying \$3,000. This will result in a year end FY 2021-2022 fund balance of approximately \$541,000.

Capital Project (Envision Ada) Fund Summary– (401)

This fund was established to serve as the account for the Envision Ada project. The project is winding down but the Township will continue to receive donations for the next few years as multi-year pledges are fulfilled. The fund is projected to have \$210,000 in revenue from donations and \$125,000 in expenditures resulting in a surplus of \$85,000.

The fund will receive a loan of \$600,000 from the General Fund at the end of fiscal year 2020-2021 and this loan will be paid back over the next few years as pledges are received.

Sewer System Fund Summary – (590)

Revenues are anticipated to be \$2,414,250 which is made up of fees for service, connection fees and interest. The expenditures include the Township's contract with Ryan's Municipal to serve as the Township's Utility Director as well as field staff for repairs and other utility related issues. The Township is a customer of the Grand Rapids system so the Township pays a significant amount to the City for treatment of sewage that is metered before it leaves the Township system and enters the City system. The sewer fund is still paying the 2011B Series bonds that will be refunded this year and the 2016 and 2020 series bonds that are detailed in the attached debt schedule.

Rates – The City of Grand Rapids has passed on a 9.42% rate increase to fund additional construction on the biodigester project. Staff anticipates additional increases next year as the City completes the project. The Township currently charges \$38.50 per REU but is proposing to increase to \$40.5 per REU which accounts for the Grand Rapids City increase as well as a small increase to help cover a portion of the bond project that was approved in 2020 for the Ada Drive sewer lining project and various improvements planned for the lift stations in the upcoming years.

Capital Projects – The Township is budgeting \$35,000 for the following improvements:

1. \$20,000 for Bronson St. sewer repair near Ada Drive
2. \$15,000 for Fulton St. lift station building repair

Revenues will be \$2,414,250 and expenditures are projected to be \$2,201,896 resulting in a surplus of \$212,354 for the fund. The fund is project to have a fund balance of \$2,510,000 at the end of fiscal year 2021-2022.

Water System Fund Summary – (591)

Revenues are anticipated to be \$2,219,699 which is made up of fees for service, connection fees and interest. The expenditures include the Township’s contract with Ryan’s Municipal to serve as the Township’s Utility Director as well as field staff for repairs and other utility related issues. The Township is a customer of the Grand Rapids system so the Township pays a significant amount to the City as a wholesale customer of water that is metered before it leaves the City system and enters the Township system. The sewer fund is still paying the 2011B Series bonds that will be refunded this year and the 2016 and 2020 series bonds that are detailed in the attached debt schedule.

Rates – The City of Grands Rapids has passed on a 9.13% rate increase for the upcoming fiscal year. The Township currently charges \$3.61 per 1,000 gallons of water but is proposing an increase to \$3.97 per 1,000 gallons which accounts for the Grand Rapids City increase as well as a small increase to help cover a portion of the bond project that was approved in 2020 for the multiple water improvements completed in 2020 or planned for the upcoming years.

Capital Projects – The Township is budgeting \$3,334,000 for the following improvements:

1. \$3,800,000 for Phase II of the Adacraft/Adatowne Watermain Project
2. \$300,000 for Grand Valley Water Tank Painting & Improvements
3. \$234,000 for Ada Drive Booster Station Improvements

Revenues will be \$2,219,699 and expenditures are projected to be \$7,132,735 resulting in a deficit of \$4,913,036 for the fund. This was anticipated and the Township took bonds in 2020 to be able to handle the construction of the watermain project taking place over a multi-year period. The Township anticipates the fund balance of the water fund ending fiscal year 2021-2022 at \$2,960,000. This will continue to decrease in the upcoming years as the remainder of the large infrastructure projects are completed.

Grand Valley Estates Water Fund Summary – (592)

This system is made up of 103 customers in the Grand Valley Estates area near Knapp and Pettis Ave. This fund is proposed to have \$106,049 in revenue and \$105,938 in expenditures resulting in a surplus of \$111.

Closing Statement:

As this is the first budget I have prepared as Township Manager of Ada Township I am happy to say the staff has worked extremely hard to provide the FY 2021-2022 proposed budget and we take a lot of pride in proposing a financially responsible document that will allow Ada Township to continue forward progress but remain in a healthy financial position. There remains a lot of uncertainty due to COVID-19 and the remaining impact of how that will impact the Township in the upcoming year. The Township

will continuously monitor the budget throughout the year to determine what amendments are needed to ensure that funds are being spent appropriately as allocated by the Township Board. It is important to note that while the Township will utilize some fund balance for projects in FY 2021-2022, they are one-time capital expenses and are not representative of an operational deficit.

I anticipate that this budget document will grow in length and detail over the upcoming years so that we can provide the board and residents with a clear and concise budget document that shares Ada Township's mission and vision with its residents.
