Property Address:	
Parcel Number: 41-	
Name of Project:	
Summary Description of Project:	

A filing fee of \$150.00 and a site plan must accompany this application.

The site plan, drawn to scale, shall include the following:

1. Existing and proposed ground elevation contours, in relation to mean sea level, at 2-foot contour intervals.
2. Elevation in relation to mean sea level, of the lowest floor (including basement) of all existing and proposed structures.
3. Elevation in relation to mean sea level to which any structure has been flood proofed.
4. Certification by a registered professional engineer or architect that the flood proofing methods for a proposed nonresidential structure meet the flood proofing standards in Section 18-282(2) of the Ada Township Code of Ordinances.
5. Description of the extent to which any watercourse will be altered or relocated as a result of the proposed development.

TO BE COMPLETED BY THE ADA TOWNSHIP ZONING ADMINISTRATOR
