Adult/Family Programs for Spring

“Reading the Night Sky”

March 22, 7:00 p.m.

Join the Grand Rapids Amateur Astronomical Association as they talk about what to see now and in upcoming months as winter transitions to spring and then summer.

Go outside to observe the crescent moon, Orion Nebula, and other sights with your eyes, binoculars, and telescopes provided by our visiting amateur astronomers. Bring your own telescope for calibration.

Cost: \$3/person, Pre-registration requested

*Recommended for adults & children ages 6 & older

“Grand River Update”

April 19, 7:00 p.m.

A presentation about the status and initiatives taking place on the Grand River. Highlights include a project overview on the Grand River Revitalization & Rapids Restoration Project by Wendy Ogilvie of the LGROW. Local land protection initiatives along the Grand River corridor and an overview of the Grand River Water Trail initiative will also be covered .

Cost: FREE pre-registration requested.

“Managing your property for Invasive Plants”

April 25, 7:00 p.m.

Locally invasive plants like Asian bittersweet, garlic mustard and others diminish ecosystems and our personal property values. Learn to identify key plants of concern and how to create a plan to mediate their damage on your property.

Cost: \$5/person, Pre-registration requested

Go outside!

Keep learning!
