

# Ada Township Parks & Recreation Department

## Environmental and Outdoor Education Programs

Ada Township's Parks and Recreation Department offers teacher workshops, student field trips to parks, school site visits, and stewardship opportunities to engage students and teachers in environmental and multi-curricular studies.

Programs are tailored to specific grade levels and curriculum goals to meet your teaching objectives. Programs are offered throughout the year for pre-school to high school students.

A variety of teaching methods are used to accommodate the diversity of student learning needs. Place-based and hands-on learning, guided and self discovery, fun and interactive programs are facilitated by engaging and knowledgeable instructors.

Field Trips can be scheduled for Ada Township Park, Roselle Park or local preserves and Kent County Parks. Field trip times range from 1 to 2 1/2 hours. Standard fee: \$3/student.

School Site Visits include classroom presentations and outdoor activities on the school grounds. Programs can be scheduled for one or more class periods. Standard fee: \$3/student.

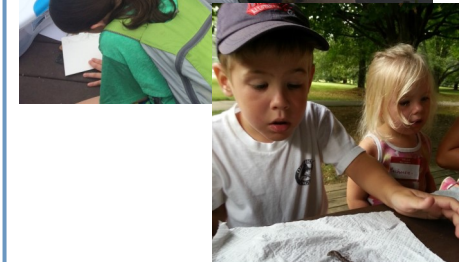

**Park Facility Rentals:** Ada Township Park and Roselle Park facilities may be rented by teachers who want to conduct their own programs in the parks. Fees range from \$35—\$50 / facility.

Stewardship programs engage students in the care of our natural landscapes and watersheds. Fees vary, sometimes free as community service work.

Choose from one of our many themes or contact us to design a program to meet your specific education needs:

|                            |                           |
|----------------------------|---------------------------|
| Tree-mendous trees!        | Wonderful Wetlands        |
| Rivers & Streams           | The Grand River Watershed |
| Nature Discovery           | Native Plants and Gardens |
| Invasive Species           | Incredible Insects        |
| Nature Prepares for Winter | Frogs & Toads             |
| Habitats are Home          | Amazing Animals           |

**Groundswell Opportunities:** Area you involved with Groundswell? Contact us for details.
