Join us
for fun, interesting outdoor
activities
& nature programs!

Be inspired
to go outside and see what
you can discover!

“Reading the Night Sky”

October 19, 7:00 p.m.

Discover the mysteries of the night sky as you learn about seasonal patterns of stars, constellations, planets, and meteors.

Find out about the tools, apps, and maps that can assist you. Dress to go outside as there will be an indoor presentation followed by an outdoor sky watch.

*Recommended for adults & children ages 6 & older

“Creatures of the Night” Family Program

October 24, 7:00 p.m. – 8:30 p.m.

This special presentation by the Outdoor Discovery Center features live reptiles, amphibians, and birds and nature artifacts.

Learn about the amazing adaptations these nocturnal animals have that help them survive.

Reservations are required since space is limited.

Go outside!

Keep learning!
